

Healing From Within Series
With
Dr. Sheila Dunn-Merritt, N.D.
&
Marie Manuchehri, R.N.

April 24: Brain Health – What are you thinking? We will explore neurotransmitters that affect mood, sleep, depression, anxiety and fatigue. Unearth ways to heal without the use of pharmaceuticals.

June 5: Hormonal System – Joy and Balance, allow the sweetness of life into your being. We will focus on the adrenal glands, thyroid, ovaries, hormonal functions and the pancreas.

Cost: \$115 per class pre-registered or \$125 per class at the door

Register at: 425-452-9366 or www.energyintuitive.com

Marie is a nationally known energy intuitive, Reiki Master and teacher. Her uniquely compassionate presence allows people to release pain, heal their wounds and emerge into expanded consciousness. In addition to her private practice Marie offers classes, mentors those who wish to work in the field of energy medicine and hosts a popular radio show – “Where Energy and Medicine Meet”.

As a family practice doctor with over 26 years of clinical experience, Dr. Dunn-Merritt has treated thousands of patients of all ages with a variety of health conditions. Combining over two decades of clinical practice as a naturopathic physician, a homeopath, and a functional medicine doctor she diagnoses and treats complex health issues.
